WHY REGISTER

Your convention registration pays for the hotel and convention facilities, associated services for equipment, maintenance, printing, registration packets, and administrative expenses.

Your registration makes this event possible. The funds we collect are used for the planning and implementation of this and future Northern California Conventions. It is the support of each member's registration that helps make our convention a success.

Thank You!
Your NCCNA Committee

NEWCOMER REGISTRATION

The number of newcomer registrations given out will correspond to the amount of donations that are received. Newcomer registrations are reserved for newcomers with less than **thirty (30) days** clean time, who cannot afford the price of registration. Newcomers receiving a registration packet will be asked to give what they can to the newcomer fund and attend a Newcomer Workshop. Registrations will be given away on a first come-first serve basis during the hours posted at the registration table.
